En este sitio podrás explorar, compartir y crear colores. [\[Kuler\]](#)

The screenshot shows the Kuler website interface. At the top left is the 'kuler' logo. Below it is a large horizontal color palette with four distinct color swatches: a dark purple, a grey, a light green, and a muted olive green. Below the palette is a search bar and a grid of theme cards. The 'Window Light Lavender' theme is highlighted, showing its color palette and details. The theme details include the name 'Window Light Lavender', a star rating of 4.14, the creator 'by jedis', and statistics: 'Created: 2008.10.14 at 10:00', 'Rated 4.14 (39)', and 'Downloaded: 285'. Other themes listed include 'sensual nature', 'Sandalwood', 'Subtlety of Hue Spring Ja...', 'Santa', 'basic nature', and 'Terraferma'. On the left side, there is a 'Create Themes' section with filters for 'Last 30 Days', 'Newest', 'Most Popular', 'Highest Rated' (with an RSS icon), 'Random', 'Community', and 'Links'.
